This supplement expands on the guidance provided in AFI 51-601. It does not apply to Air National Guard or US Air Force Reserve units and members.

***SUMMARY OF REVISIONS***

This supplement supersedes AFI 51-601/AFMC Supplement 1 (29 December 1994), and provides updated instructions. Paragraphs are renumbered to reflect changes in the numbering of the corresponding paragraphs of AFI 51-601, *Gifts To the Department of the Air Force*, 1 October 1999, which was revised since the previous version of this supplement. Consistent with the most recent AFI 51-601, one paragraph is added which delegates to the center commanders the authority to approve gifts offered to the Air Force for distribution (5.3.1).

***AFI 51-601, 1 October 1999, is supplemented as follows:***

- 1.3.2. Authority is delegated to commanders of all product, test, and logistics centers.
- 1.4.7. Authority is delegated to the installation commanders.
- 2.2. Include a written opinion by the staff judge advocate.
- 3.10. Include a written opinion by the staff judge advocate.
- 5.3.1. Authority is delegated to commanders of all product, test, and logistics centers.

5.3.2. Authority is delegated to the installation commanders.
